

You are invited to.....

Val and Jol's Wedding

on Saturday, 10th September 2011

11.20am at

Ulverston Registry Office, Queen Street, Ulverston LA12 7AR

and afterwards at

The Village Hall

Water Yeat near Coniston

(if weather permits there will be a photo opportunity in Ulverston with Stan and Ollie)

Please note around 5.10pm there will be a 1/4 mile walk to the jetty at Lake Bank for a trip on the Coniston Steam Gondola so do please also bring some 'sensible shoes' and a brolly (and a flask!)

The walk is a potentially dodgy one, with no footpath, and a couple of blind bends, so we propose to all form a crocodile, and walk down together with the tallest members at the front, waving a large flag warning cars to slow down!

We hope people can stay for the weekend and join us on the Sunday at the Farmhouse for a continuation of our celebrations. If you would like to stay there are plenty of hotels/self-catering or B&Bs to choose from, and we will do our best to help you find somewhere.

If it will make life easier for your child care arrangements please bring your children!

RSVP to
Holker Farmhouse
Cark in Cartmel
Grange over Sands

015395 58647
val@crystalsolutions.org

Please do not feel you have to come bearing gifts. If, however you would like to give us something, we are hoping to do some work on our garden to create a (Wilf proof) sensory area we can all enjoy with Matthew. Therefore we are asking people to contribute money, knowledge and/or manual labour depending on where your strengths lie!

the village hall at Water Yeat is about 5 miles from Ulverston. Head east out of Ulverston A590 in the direction of Kendal and the M6. 2 miles or so, Turn Left at Greenodd for Coniston A5092- follow the road for a mile or 2, until you pass the Farmer's Arms and then in 200 yds take Right to Coniston at Lowick. A5084

Continue along for a mile or 2, until you enter Water Yeat hamlet, and take the first left in front of Peter's Cabinet & Woodworking showroom - a house! and the Hall is blue, up on the left ahead of you - park where you can.

There are some nice walks nearby, and a couple of places for wild swimming. so if the weather is nice, bring some clothes to change into, and we hope to have a Band n Beer in the evening

provisional timetable
 11.30 official thing
 1.15 scoff
 3.30 - 5.00 gentle walks or recumbency nearby
 5.15 1/4 mile walk to Lake Bank and Gondola trip
 7.30 evening bash at village Hall till late with more scoff
